

# **FRESHER'S PARTY**

Immediately after the start of the academic year, fresher's start dreaming about Fresher's Party. Fresher's Party is meant for interaction between seniors and fresher's so that they mingle with one another easily. The most important thing is to be together and make the fresher's feel good about being a part of your college. Fresher's Party are organised by Comm-IT Career Academy for welcome the new comers. These parties are addressed by seniors, teachers or may be sometimes the principal. They are required to deliver welcome speeches in keeping with the occasion.

It's a moment of great privilege and honour for me to extend a hearty welcome to all of you today at this memorable event of The Comm-IT Career Academy BCA college. As you all are aware that we have gathered here to welcome fresher's to our prestigious college. The BCA programme will be followed by a few short speeches of the faculty teacher/s which there will be cultural programmes, including dance and songs, short skits & play, drama etc in the Auditorium, refreshment at 1 PM and ultimately the dance party at 2 PM onwards after lunch. I hope, you all are enjoying yourself so far and we promise to make this a memorable event for you all.

Established in 2000, our college is recognized by the Guru Gobind Singh Indraprastha University, Delhi and it gives me immense pleasure to inform that we have been imparting quality education since inception. The development of a quality educational system largely lies on the committed members of the faculty, quality infrastructure, supportive administration, large pool of learning resources and last but not the least, hardworking and brilliant students.

Students of today are the future of our college and nation. I strongly believe that your sincerity and honesty can always help you in making a good and responsible human being out of yourself. Of course, teachers and all other college staffs will always remain as the navigators to guide you. The duty of the teachers is not only to impart education, but also to inculcate discipline and qualities in the students.

You should feel protected and shielded under the guidance of your teachers and hence, should honour their presence.

Life is a long journey with many zigzag paths in it. But, I guarantee all of you that after completing your graduation from here you are surely going to remember the value of the institute as a memorable milestone. Also, you will cherish all the memories spent with your friends, faculties, your group assignments, your presentations, your bunks, events like today and what not.

Well...today...it is the evening where the excitement has reached its peak, where we all are glad to welcome you and see your excitement too for the same. And not only we, but the teachers are also eager to meet you all NOT for giving lectures but to stand by your side and join you in the celebration.

This evening is all about celebrations. It's about making networks, interacting with each other, making happy memories and about being strangers, no more. I am happy to see that many of you are able to join us today and I am sure that the ones who are not present with us today are truly going to miss this.

Dear juniors, you are now here as two years earlier, we were. You have so many seniors for you to guide you about the techniques and skills required to reach your goals along with, of course, your hard work. Also, you will have the best faculty of the city here who have expertise in their subjects of not less than 15 years.

It is no less an honour for me to be here and address all of you. So, here I, BCA student of BCA department, wholeheartedly welcome all of you today. From now, you all are a part of Comm-IT Career Academy College family. Also, I would like to thank our Principal who has provided us with such an exceptional platform to learn & explore.

So, all you guys out there, the real journey of your future career begins from here.

I wish you all the best of luck for future!
